Unless otherwise noted, the copyright for the content of this website belongs to the University of Freiburg, Department of Rehabilitation Psychology and Psychotherapy. All rights reserved. All contents published on this website (layout, texts, pictures, graphics, etc.) are subject to copyright. Any use not permitted by copyright law requires a prior explicit consent. This applies in particular to duplication, editing, translation, storage, processing or reproduction of content in databases or other electronic media and systems. Photocopies and downloads of web pages for private, scientific and non-commercial use may be made.

The University of Freiburg aims to respect the copyrights of all graphics, sound documents, video sequences and texts used in all publications, to use self-provided graphics, sound documents, video sequences and texts or to make use of licence-free graphics, sound documents, video sequences and texts. The photographs used are agency photographs; the persons depicted are models. The shown scenes are arranged and only serve to clarify the contents. They are no persons with specific problems or disorders.

All brands and trademarks mentioned within the online training offer and possibly protected by third parties are without restriction subject to the terms and conditions of the copyright of the respective owners. The mere fact that a brand is mentioned should not lead to the conclusion that it is not protected by the rights of third parties!

### **Liability for links to external content**

The University of Freiburg, Department of Rehabilitation Psychology and Psychotherapy, as content provider is responsible for its own content that is provided for use, in accordance with the general laws. Cross-references ("external links") to content provided by other providers are to be distinguished from this own content. This external content does not originate from the University of Freiburg, nor does the University of Freiburg have the possibility to influence the content of third-party websites.

The content of external websites to which the University of Freiburg links do not reflect the opinion of the University of Freiburg, but merely serve to provide information and to illustrate connections. The university does not adopt these contents as its own and accepts no liability for the contents of externally linked pages. These statements apply to all links and references set within the university's own website as well as to third-party entries in guest books, discussion forums and mailing lists set up by the University of Freiburg. For illegal, incorrect or incomplete content and in particular for damages arising from the use or non-use of such information, only the provider of the linked site is liable.

### **Disclaimer for own contents**

The contents of this website have been researched and implemented with the greatest possible care. Nevertheless, errors in the editing process cannot be ruled out. Please send your comments and corrections to [sleep-e@psychologie.uni-freiburg.de](mailto:sleep-e@psychologie.uni-freiburg.de).

A guarantee for the correctness, completeness and topicality of these web pages cannot be taken, despite careful examination. In particular, the University of Freiburg, Department of Rehabilitation Psychology and Psychotherapy, accepts no liability for any damage or consequences of a material or non-material nature arising from the direct or indirect use of the contents offered, unless they can be proven to have been caused by intent or gross negligence.
